Le Refuge pour animaux de Lea

La Fillette de l'année Lea Clark adore les animaux et les aventures. Quand elle et sa famille voyagent au Brésil, Lea obtient les deux! Dans la forêt tropicale, il y a des paresseux, des perroquets, des tortues, des singes et un type de chat appelé un *margay*.

Lea ne refuse jamais de vivre une nouvelle aventure.

Avec sa nouvelle amie Camila, Lea fait du bénévolat à un refuge pour animaux. Elles aident le vétérinaire à prendre soin des animaux blessés et à les ramener à la santé. Lea utilise l'ordinateur portable pour suivre les progrès de chaque animal.

La tâche favorite de Lea est de regarder les animaux faire de l'exercice. Le margay descend de l'arbre tête la première, mais le paresseux est lent à se déplacer.

«Tu sois avoir récupéré toutes tes forces avant que le vétérinaire te relâche dans la nature», dit Lea au paresseux en le regardant grimper l'arbre. Lea voit ensuite le paresseux suspendu tête en bas, serrant une branche d'arbre avec ses pieds. «Super», dit Lea.
«Ça semble assez bon pour moi!»

Lea explore ce qui est dans son cœur.

Lea est une photographe, et les animaux sont ses sujets favoris. Elle utilise ses photos dans le blogue qu'elle écrit pour ses amis à la maison. «Je réalise mes meilleures photos quand je regarde les choses sous un angle nouveau», écrit-elle. «Il n'est pas facile de se placer au niveau des yeux d'une tortue de mer. Mais ça vaut le coup!»

Le Sauvetage à la tour de guet de Lea

La Fillette de l'année Lea Clark est courageuse et prête pour l'action. Quand elle se rend au Brésil avec sa famille, elle fait du bénévolat dans un refuge pour animaux, où les vétérinaires prennent soin des animaux malades et blessés.

Son esprit aventurier lui ouvre toujours la voie. Aujourd'hui, Lea et son amie Camila sont à la tour de guet. Lea regarde attentivement dans le télescope et aperçoit un bébé margay à la base d'un arbre. Pourquoi est-il seul?, se demande-t-elle. Je vais en informer le vétérinaire. Quand le vétérinaire invite les filles à le suivre pour aller sur place, Lea se rend rapidement au véhicule de sauvetage.

«Je vais chercher la trousse de premiers soins», dit Lea. «Super! Je n'aurais jamais cru que les vacances pourraient s'avérer si excitantes!»

Lea adore tous les animaux – à plumes, drôles, glissants et visqueux.

Le bébé margay est blessé, et il doit être examiné. Pendant que Lea se précipite vers sa tente mobile du vétérinaire, elle voit 2 singes la regarder depuis un arbre. Elle aperçoit un toucan et des tortues de mer à côté de l'océan. Et, attends – est-ce un paresseux suspendu à la branche? Le refuge prend soin de tant d'animaux différents au Brésil, pense-t-elle. Je me demande ce que je peux faire d'autre pour aider? Découvre encore plus sur Lea dans ses livres d'American Girl.
